### Out On The Town With JL

By JL JORDAN III

Everyone knows that my favorite Las Vegas diva is the legendary Grammy award winner **Gladys Knight**. Her show at the Flamingo was recently canceled for about two weeks due to her being under the weather. I am pleased to report that she is doing much better and back on stage belting away.

This month's diva award goes to powerhouse vocalist, **Celine Dion**. The less than award winning opening has made a major turn for the better. **A New Day** is amazing. The stage production, music, singing, and dancers are outstanding. There is a hot scene in the show with all her topless male dancers seductively swarming around Celine, who is sitting in a chair in the middle of the stage. Trust me, there was more on the rise during that scene, than the theatre's thermostat.

I attended the annual holiday party for local ABC affiliate, **Channel 13 (KTNV)** at the **Hafbrauhaus House**. It lacked the spark and flames of their previous parties. However, **Action News In The Morning** anchor **Rikki Cheese**, reporter **Cheryl Getuiza**, and I had a blast stalking a certain hot German waiter. After several drinks, and tipping him just to walk by our table, we discovered he is not on 'the team'. Weekend weather man/anchor **Rob Blair** was in the running until he had to retouch his makeup and go do what he does best. **Queer Eye for the Weather Guy** failed to succeed with **Nathan Tannenbaum**, chief forecaster. Unfortunately, Nate has returned to wearing his signature plaid sweaters.

If you are looking for a cool pre-fruit loop stop on Thursday nights, stop by the open mic night cabaret show at **E.A.T.**, which is connected to the undisputed reigning king of Saturday nights, **Krave**. A recent Thursday night chat during the show with former **Cosby Show** actor, **Malcolm Jamal Warner** was a

bit odd. **Malcolm** came up to me and said, "I love the gays." Later on, I spotted him leaving the club with a flawless woman. No, not a drag queen, but a real woman.

Speaking of **Krave**, hunky boy **Chris Judd**, former husband of **JLo**, paid a visit one late Friday night. Rumors and promotional materials teased a visit by **JLo** that following Saturday night for **Jeffery Sanker's** birthday bash. However, after hearing of her former husband being too close for comfort the previous night, she decided to send in her stunt double, the

former Ms. **Gay Las Vegas** and member of the legendary cast of **La Cage, Alexia**.

Wednesday and Friday nights have been less than appealing in our community. If you have been looking for something to do on these nights, the legendary Las Vegas gay nightclub **Gipsy** is attempting to come to the rescue with a new **Martini Ultra Lounge**. There is cool ultra lounge music with a tasteful martini selection. They have also made recent changes to Tuesday nights by eliminating the **Lip Sync** competition and replacing it with a boy's night. **Keonie** is the new DJ on Tuesday nights with female illusionist **Shannel** performing.

Honorary hosts **Kathleen & Wayne Newton**, with special guest, **Miss USA 2004**,

**Shandi Finnessey**, were among some of the who's who at the grand opening celebration of **Tadashi Shoji** (official designer of the **Miss Universe** and **Miss USA** pageants) retail boutique inside the **Forum Shops**. Proceeds from the evening benefited **Opportunity Village**. The **Versace Home Store** VIP Grand Opening was held the same night and time slot of the **Tadashi** party. However, after a quick stroll through the gaudy store, I opted to head over to **Tadashi** to hang out with Mr. Las Vegas and his sidekick **Miss USA**. **Q**
